Allowable Subject Matter

The following is an examiner's statement of reasons for allowance: claims 1-13 are allowable over the prior art as the prior art does not teach a memory for storing control programs necessary for control of a electronic musical instrument for respective models of said electronic musical instrument; a controller for controlling said electronic musical instrument using the control program; and a selector for selecting a control program to be used for control by said controller from among the control programs stored in said memory, and wherein said selector comprises a switch provided to correspond at least to one of said parts and coming into a state in accordance with the grade of said part when said part is placed in said main body portion.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jeffrey Donels whose telephone number is 571-272-2061. The examiner can normally be reached on Monday through Thursday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Lincoln Donovan can be reached on 571-272-2800 ext 37. The fax phone
